TO ALL THE MEMBERS OF BNI MAY CHAPTER

I would like to say a thank you to Derrick Phillips of Ordered Management Ltd. I recently asked him to provide a company creation service for my husband. Lee's, new business venture.

The company was registered and set up in a matter of days. Lee received all the relevant paperwork and certificates promptly. What Lee most liked about the service was the fact that Derrick took the time to listen to Lee and the plans for his new business and was confident in Derrick's knowledge and suggestions. Running a business is challenging enough, without dealing with official forms and paperwork from Companies House. Derrick will take care of these now as the appointed Secretary for a modest and well-earned fee.

Ambience Installations Ltd is now up and running Lee is safe in the knowledge that Ordered Management is looking after the company whilst he runs the business.

Lee and I would recommend Derrick and the services of Ordered Management Ltd without question.

Thanks again Derrick
