Dear Derrick,

## Testimonial – Ordered Management

Your tag line – 'You run the company – we look after the business' says exactly what you do. And you do it very well indeed.

Since you took over acting as Results First's company secretary I loose less time on administrative issues and can concentrate on building my business. I am very impressed with the efficiency and effectiveness you manage all the obligations a business has towards Companies House. You are always on top of the game.

I would like to thank you for the excellent support I received since I commissioned your services and I will certainly renew when the contract comes up for renewal.

This is an excellent service and I fully endorse it to anybody who needs a reliable and dependable Company Secretary.

Thank you for *Looking after the boring bits for me.*

Kind regards,

Mikael Båghammar
